Markham-Unionville

During this March break, I welcomed over 60 residents from Markham-Unionville to Queen's Park where they had a guided tour of the Legislature Building. It was a pleasure seeing participants engaging and having a great time at the tour!

It was wonderful meeting Pastor Chau and his daughter from Markham-Unionville, sharing with them about my work in the legislature as an MPP as well as the Page program for young students.

I presented my congratulations to Master Chau for his 90th birthday. Residents in Markham-Unionville are welcome to email my office at billy.pang@pc.ola.org for arrangement of birthday and wedding anniversary certificates.

I was honored to join the 100th birthday celebration of Mrs McNeilly in Markham-Unionville! It was a special and joyful celebration with her loving family and friends.

Stakeholders

Delighted to celebrate with Showers of Blessing Evangelistic Ministry at their 36th anniversary. I applaud their faithfulness and passion in witnessing Christ and reaching out to Chinese around the world through mass media.

It's a wonderful evening at the Light Blue Star Charity Concert hosted by Gifted People Services. The concert showed love and support to families with autism and showcased the beautiful talents of people with autism.

Thanks to the staff, donors and volunteers of Carefirst Seniors & Community Services Association for putting together the 2023 "Young at Heart" Charity Gala and raising funds to support the new Campus of Care for seniors.

Delighted to present my greeting letter to Markham Sunglow Seniors and Family Association for their "Framing Life Photo Album" activity. Kudos to the Association for helping our seniors stay active and connected.

Budget Highlight

I hear often from constituents about the high cost of goods and services. I rose earlier in the House to debate on the 2023 Budget, including the support of the provincial government for low-income seniors through this challenging time.

Thanks to Fairchild TV and A1 Chinese Radio for giving me the opportunities to cover some highlights of the 2023 Budget and the government's plan to build a better Ontario.

At Queen's Park

The Ontario government is working hard to enhance fiscal management, cut red tape, and save taxpayers dollars. As members of the Standing Committee on Heritage, Infrastructure and Cultural Policy, my colleagues and I interacted with witnesses at the public hearings for the Reducing Inefficiencies Act (Infrastructure Statute Law Amendments), 2023.

As the House is debating the Less Red Tape, Stronger Ontario Act, 2023, I raised a question to the government on modernization of the Juries Act and the justice system.

As the Parliamentary Assistant to the Minister of Citizenship and Multiculturalism, I am glad to attend the receptions at Queen's Park to celebrate Nowruz, the Persian New Year as well as the Hellenic Heritage Month respectively, together with my colleagues and guests of these communities.

Provincial Updates

The provincial government has made it easier for businesses looking to invest in Ontario to meet their sustainability goals. Ontario's new clean energy credit registry will also help develop new clean energy projects in our province. [Click here for details.](#)
